Hi Tony,

I tried to file charges against several people last week with Sheriff Hagamans office, and was following up to see when they would be complete.

Instead I was referred to your office by Barbara Payne by Sheriff Hagaman. Could you tell me what is the delay and why this was re-routed?

If you do not have my email please let me know.

Thank you.
Have a Beautiful day.

Hi Tony,

Welcome back from you vacation.

I was sent an email from Sheriff Len Hagaman stating that he was not going to follow his sworn oath of office and file charges against child abusers and those that were mandated by North Carolina code

7B-301. Duty to report abuse, neglect, dependency, or death due to maltreatment.

(a) Any person or institution who has cause to suspect that any juvenile is abused, neglected, or dependent, as defined by G.S. 7B-101, or has died as the result of maltreatment, shall report the case of that juvenile to the director of the department of social services in the county where the juvenile resides or is found. The report may be made orally, by telephone, or in writing. The report shall include information as is known to the person making it including the name and address of the juvenile; the name and address of the juvenile's parent, guardian, or caretaker; the age of the juvenile; the names and ages of other juveniles in the home; the present whereabouts of the juvenile if not at the home address; the nature and extent of any injury or condition resulting from abuse, neglect, or dependency; and any other information which the person making the report believes might be helpful in establishing the need for protective services or court intervention. If the report is made orally or by telephone, the person making the report shall give the person's name, address, and telephone number. Refusal of the person making the report to give a name shall not preclude the department's assessment of the alleged abuse, neglect, dependency, or death as a result of maltreatment.

(b) Any person or institution who knowingly or wantonly fails to report the case of a juvenile as required by subsection (a) of this section, or who knowingly or wantonly prevents another person from making a report as required by subsection (a) of this section, is guilty of a Class 1 misdemeanor.

Sheriff Len Hagaman also stated that he has spoken with you while you were in Colorado and you had advised him to ignore North Carolina criminal codes.

Sheriff Len Hagaman also state he had spoken with many of the people I was filing charges against and asked their opinion about what he should do.

Is this a policy of Watauga County that the Sheriff asks perpetrators accused of committing child abuse how to handle the child abuse charges?

Also, as a Lawyer you are mandated to report suspected child abuse according to 7B-301. Please let me know when you have done this.

Thank you in advance for your attention to these questions.

Mr. Gottfried:

My firm is retained by Watauga County to advise the county commissioners and appropriate representatives of the county. I am not retained to respond or provide legal advice to citizens of the county regarding legal issues. Therefore, I will not be responding further to your communications regarding this or any matter. If you need advice regarding the legal issues of which you have attempted to raise, you will need to retain counsel of your choice.

Thank you for your response Tony,

Please be advised that you and your Law firm di Santi, Watson, Capua, Wilson, & Garrett . are now in a Rule 1.7 conflict of interests as I have previously hired Andrea Capua and your law firm as prior legal council. Without a doubt this is a conflict of interests, racketeering and a cover up of child abuse.

As you have stated "[My firm is retained by Watauga County to advise the county commissioners and appropriate representatives of the county.](#)"

in the previous email I shall now file complaints against you and your firm with the bar association of your illegal activity.

Please let me know that you have notified Watauga DSS of suspected child abuse as you are MANDATED BY LAW by **7B-301**.

Duty to report abuse, neglect, dependency, or death due to maltreatment.

If you fail to notify Watauga DSS I will be force to file charges against you as well.

Have a Beautiful day.
